

PROCESSING + PACKAGING **PROCESS EXPO 11**

**The Global Food Equipment
& Technology Show™**

**PROCESS EXPO Puts You in
Front of the Food Industry**

GET IN FRONT OF THE RIGHT PROSPECTS

PROCESS EXPO® is the worldwide food equipment and technology show.

In November 2011, more than 10,000 attendees from the most respected food brands in the world will converge in Chicago to see it all.

Why exhibit at PROCESS EXPO? Because it's the one place where worldwide food equipment buyers will come seeking manufacturing and production solutions for the food and beverage industry.

"PROCESS EXPO provides us with exposure to a wider range of customers around the country."

Murray Smith, Nelson-Jaimeson, Inc.

IMPORTANT FACTS...

The top 100 food companies* send an average of 35 attendees to PROCESS EXPO.

85% of PROCESS EXPO attendees make final decisions or recommend food processing equipment purchases.

More than half of food processors attending PROCESS EXPO have revenues over \$10 million.

*U.S. and Canadian rankings according to FoodProcessing.com

GET IN FRONT OF THE COMPANIES YOU WANT TO SEE

At **PROCESS EXPO**, it's all about food—with the food processing and packaging professionals you want to reach. This is the industry's only single-destination food equipment expo...with end-to-end products and services across all food sectors and all types of food processing and packaging machinery and services.

This **100% food-focused event attracts attendees from the world's leading food companies**—who are looking for processing and packaging solutions that will help them more rapidly, efficiently, safely, and successfully create and bring food products to market.

GET IN FRONT OF THE INDUSTRY'S LARGEST GATHERING OF EQUIPMENT BUYERS

PROCESS EXPO is the most comprehensive tradeshow in the U.S. offered exclusively for the food and beverage industry. Attendees come to find the world's most extensive array of food processing and packaging equipment suppliers, all under one roof.

This powerhouse event is the one place where the world's leading food companies gather to find innovative, labor-saving equipment and services for food processing and packaging.

PROCESS EXPO ATTENDEES MAKE EQUIPMENT RECOMMENDATIONS AND BUYING DECISIONS

MORE THAN 200,000 SQUARE FEET OF FOOD PROCESSING AND PACKAGING POWER

"Our goal is to reduce labor-intensive steps in our operation. At PROCESS EXPO, we can find innovative processing and packaging equipment that enables greater automation and efficiency."

Joseph Johnston, Campbell Soup Company

GET IN FRONT OF EVERY MARKET SEGMENT

Leading equipment suppliers across all sectors of the food industry—bakery, beverage, confectionery, dairy, fruit and vegetables, and meat and poultry—will be on hand to exhibit their solutions and achieve real results.

PROCESS EXPO is vertically aligned with the food industry—offering packaging, processing, and technology solutions to the entire food industry at one exceptional show.

Unique Cross-Selling Opportunities

- Bakery/Snack
- Beverage
- Confectionery
- Dairy
- Fruit/Vegetable
- Meat/Poultry/Seafood

"We're a smaller company, so getting a lot of traffic and visibility with our target audience has been great. For us, it's a great way to brand our company and talk to our customers."

Chris Yessayan, Mork Process, Inc.

GET IN FRONT OF PROSPECTS FROM ACROSS THE GLOBE & AROUND THE CORNER

PROCESS EXPO attracts high-level buyers from all corners of the U.S. and more than 75 countries. The show is aggressively marketed not only in the U.S., but throughout Latin America, Europe and Asia.

As a result, your best prospects from around the world will be on hand to see and purchase the latest in food processing and packaging equipment:

- Executives trying to find new solutions to become the market leader
- Decision-makers involved in choosing the best processing and packaging machinery
- Engineers who identify equipment needs
- R&D teams who determine the processing and packaging needs of tomorrow
- Plant supervisors who manage the production lines
- Other team members who have a significant role in the buying decision

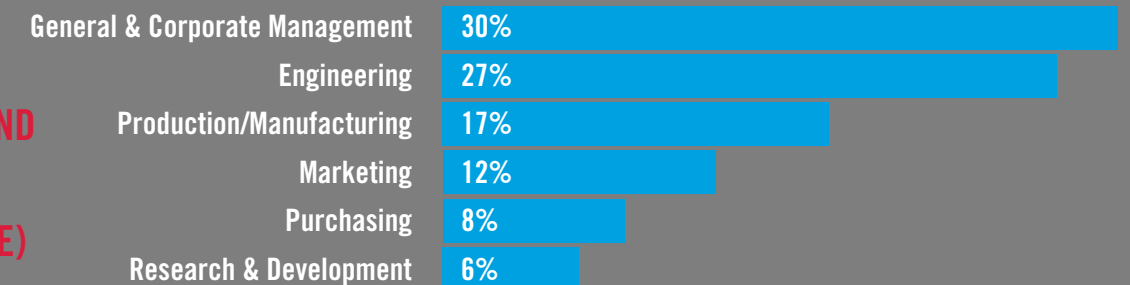

Chicago's McCormick Place is one of the world's premier convention centers—offering full-support services and state-of-the-art technology to help make your show a success.

PROSPECTS FROM ACROSS THE WORLD Top Nations Represented

- USA CANADA MEXICO CHINA COLOMBIA INDIA JAPAN
- DOMINICAN REPUBLIC VENEZUELA BRAZIL AUSTRALIA
- GERMANY ITALY ARGENTINA UNITED KINGDOM COSTA RICA

HIGH-LEVEL DECISION-MAKERS ATTEND PROCESS EXPO (ATTENDEES BY JOB TITLE)

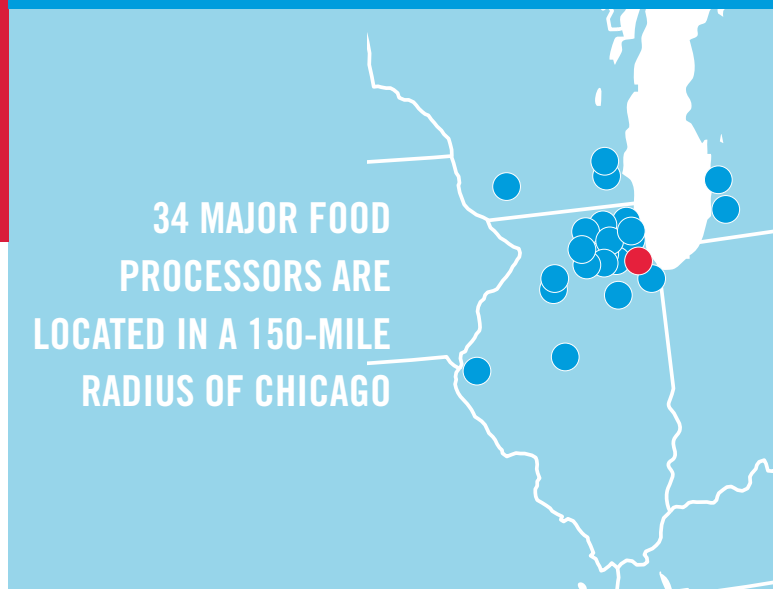

"The location of the show in Chicago will be fantastic. A lot of food is produced in the Midwest, so the targeted customers we want to see will be at that show."

Darren J. Smith, Netzsch

PREMIER CONFERENCE LOCATION

Located in the heart of the U.S. food industry, many consider Chicago to be America's greatest city. The high concentration of food-related companies in and around Chicago and the Midwest make this premier conference location a highly popular PROCESS EXPO destination.

PROCESSORS FROM AROUND CHICAGO

GET IN FRONT OF THE VALUE CURVE

At **PROCESS EXPO**, our goal is to deliver the best tradeshow experience at the lowest cost to exhibitors. As a supplier-run show, all proceeds from **PROCESS EXPO** go directly back into the show to keep costs low for attendees and generate results for exhibitors.

Our members are actively involved in guiding **PROCESS EXPO**, so this is one event that keeps pace with exhibitor needs. Based on key input, we've taken aggressive steps to improve show quality, strengthen promotion, and offer value-based pricing for attendees and exhibitors alike. Plus we're moving to a biennial show cycle to answer the call for better exhibitor ROI.

Affordable Exhibit Costs

- \$29/sq.ft. for members
- \$35/sq.ft. for non-members
- \$3/sq.ft. unlimited drayage*

Key Exhibitor Advantages

- Unlimited free passes to invite your customers
- Free attendee lists to promote your booth
- Great attendee value—only \$25 pre-registration, \$50 on site

Significant Marketing Power
